

## FREE! GLOBAL CONTACT LENS FORUM

This informative and highly attended 'meeting within a meeting' provides attendees with up to the moment information and insight about what is happening in the world of contact lenses. Providing both a clinical and business perspective, practitioners can expect to leave with new outlooks that will have immediate impact on their contact lens practice. Don't miss the state of the contact lens industry which we will have a panel comprised of the heads of professional relations from the major contact lens and pharmaceutical manufacturers. The topic of discussion will be "Future Trends in Contact Lenses and Ocular Surface Disease, where have we been and where are we going?". Other illuminating sessions, presented by some of the most highly renowned contact lens experts, will highlight the management of the complex contact lens patient as well as how to successfully establish and develop a contact lens specialty practice.

7:45 AM–8:45 AM	<b>10L1 - FREE</b> State of the CL Industry – Future Trends in Contact Lenses and Ocular Surface, Where Have We Been and Where Are We Going Moderator: Barry Eiden, OD; Panelists: Louise Sclafani, OD; Jill Saxon, OD; Millicent Knight, OD C,FL-OP,FL-OD,N,NYS-CL-I
9:00 AM–11:00 AM	<b>10L2 - FREE</b> Clinical Management of the Challenging Contact Lens Patient - Case Studies Moderator: Louise Sclafani, OD; Panelists: John Gelles, OD; Clark Chang, OD; Ryan McKinnis, OD; Stephanie Woo, OD C,FL-OP,FL-OD,N,NYS-CL-I
11:15 AM–12:15 PM	<b>10L3 - FREE</b> Establishing and Succeeding in Specialty Contact Lens Practice - The Business of a Contact Lens Specialty Practice Moderator: Barry Eiden, OD; Panelists: Bob Steinmetz, OD; Brooke Messer, OD; Susan Resnick, OD; Clarke Newman, OD C,FL-OP,FL-OD,N,NYS-CL-I

## FREE! OCULAR SURFACE DISEASE AND WELLNESS SYMPOSIUM

This Symposium teaches you how to take your ocular practice to the next level delivering a totally integrated health care model for patient diagnosis and treatment of ocular surface diseases. Learn and gain expertise in recognizing dry eye diseases and clinical aspects of ocular surface from diagnosis through treatment resulting in expanded quality and consistency of patient care for today's thriving practices.

1:30 PM–2:30 PM	<b>10L4 - FREE</b> Ocular Surface Disease: TFOS DEWS II and Other Guidelines, What Does It All Mean? Jack Schaeffer, OD; Paul Karpecki, OD; Marc Bloomenstein, OD; Richard Adler, MD C,FL-OP,FL-OD,N,NYS-CL-I
3:45 PM–5:45 PM	<b>10L5 - FREE</b> Ocular Surface Disease: The Diagnosis, Treatment, and Case Studies in Ocular Surface Disease Jack Schaeffer, OD; Paul Karpecki, OD; Marc Bloomenstein, OD; Richard Adler, MD C,FL-OP,FL-OD,N,NYS-CL-I

## EDUCATION REGISTRATION

- Course handouts will be available online prior to the Education Program. They will not be available onsite. After you register for your courses, you will be able to print your own course handouts and bring them to the Education Program. Course handouts will also be available online for one month after the program and on the Vision Expo Mobile App.
- In an effort to improve the Education registration process, badges will not be mailed. Please bring your confirmation letter with barcode onsite to Registration to have your badge and course itinerary printed when you arrive at the conference. This will ensure that you have the most up-to-date course information on your badge barcode and course itinerary, including room numbers.

- Your badge barcode will have all of your registered courses embedded in it, which is required for course entry. If you make any course changes onsite after you have already printed your badge, you will need to get a new badge printed so that your current courses are embedded in your updated badge barcode.
- After the Education Program, you will receive a letter via e-mail verifying your course attendance. Please submit this letter to your state board/national accreditation agency for license renewal. If you did not supply an e-mail address when you registered, please update your registration record by calling Client Services at 1.800.811.7151.

## ACCREDITATION IS PENDING

The "pending CE approval" courses are being submitted to the accrediting agencies for consideration of approval – if the accreditation designation is NOT listed, the course is NOT being submitted to that agency.

## ABOUT ACCREDITATION

The accreditation designations serve as a guide to assist you with course selections. The courses listed are "pending CE approval." Please refer to VisionExpoEast.com/learning under the Education tab for current CE approvals. You can change a course selection after you register by calling Client Services at 1.800.811.7151.

Vision Expo is not responsible for courses that do not receive accreditation. Do not assume that the courses you register for will be approved. You will not receive credit if you are late to a course. Course approval information will also be available onsite in the Education and Registration areas.
