Note: COPE credits are not considered “CPC approved” for purposes of paraoptometric certification renewals. This does not mean COPE credits can’t be used – CPC accepts up to 9 credits approved by certain other education approving bodies, such as COPE. But you also must have at least 9 credits that are CPC approved.

NOTE: You will ***not*** receive credit if you are late to a course or are not present in the course for 50 minutes of every 60 minutes of course instruction.

Do not assume that the courses you registered for will be automatically approved.
